

# CENTER FOR PLANT HEALTH SCIENCE AND TECHNOLOGY

Dr. Gordon Gordh, Director

(919) 855-7400

Dr. Alan Dowdy, Associate Director

(919) 855-7400

## National Science Program Leaders

Dr. Philip Berger (919) 855-7412  
Molecular Diagnostics & Biotechnology

Dan Fieselmann (919) 855-7415  
Survey Detection & Identification

Dr Ron Sequeira (Acting) (919) 855-7400  
Response & Recovery Systems Technology

Robert Griffin (Acting) (919) 855-7512  
Risk & Pathway Analysis

Dr. Larry Zettler (919) 855-7424  
AQI & Port Technology

### National Plant Germplasm & Biotechnology Laboratory

Beltsville, MD

Director

Dr. Laurene Levy  
(301) 504-7100

### Pest Detection Diagnostics & Management Laboratory

Edinburg, TX

Director

Dr. Paul Parker  
(956) 580-7301

### National Weeds Management Laboratory

Ft Collins, CO

Director

Dr. Richard Zink  
(970) 494-7538

### Analytical & Natural Products Chemistry Laboratory

Gulfport, MS

Acting Director

Robert Smith  
(228) 822-3112

### Biological Control Unit

Raleigh, NC

Director

Ken Bloem  
(919) 855-7407

### Treatment Quality Assurance Unit

Raleigh, NC

Director

Scott Wood  
(919) 855-7451

### Surveillance Technology Unit

Fort Collins, CO

Director

Tom Kalaris  
(970) 494-7416

### Quality Management Unit

Gulfport, MS

Director

John Gallagher  
(228) 822-3200

### Pest Survey Detection & Exclusion Laboratory

Otis, MA

Director

Vic Mastro  
(508) 563-9303

### Decision Support & Pest Management Systems Laboratory

Phoenix, AZ

Acting Director

Dr. Greg Simmons  
(602) 437-1295

### Plant Epidemiology & Risk Analysis Laboratory

Raleigh, NC

Director

Robert L. Griffin  
(919) 855-7512

### Fruit Fly Genetics & Management Laboratory

Waimanalo, HI

Director

Dr. Susan McCombs  
(808) 259-8822
